

Dear Parents,

My name is Brenda Curran and I am the Home School Community Liaison (HSCL) Coordinator in Coláiste Cois Siúire.

My role is to help you, the parents and guardians, together with teachers and the wider community to enhance your son/daughters education and wellbeing through promoting attendance and participation in the school community.

As part of this role, I do home visits to work with you and assist you in whatever way I can with any issues that might be affecting your child's attendance and participation at school. No issue is too big or too small and I am a firm believer in the old adage "a problem shared is a problem halved".

I also organise workshops and activities for parents to help you develop your own interests and skills. I will regularly update on our on-going activities and would love to see you all get involved. We would also love to hear if you have any ideas for workshops or if you too would like to give a class and teach other parents a new skill.

Listening to the parent voice is an essential part of developing a well-rounded and respectful school community and I would encourage you to take part in our Parents Association which meets to discuss the needs of the school.

If you would like to contact me, you can call or message me on 086 2043836

Looking forward to meeting you,

Brenda Curran (HSCL)
